RE: Cramer for Congress – C00555961

Dear Sir or Madam:

I relocated my office earlier this month. This move necessitates that an amendment of the Statement of Organization be filed for the above committee. The only changes are for the address of the treasurer (me) and the custodian of record (again me).

If you have any questions or need further information, please contact my office.

Sincerely,

James C. Thomas III

JCT3/pb
